

Publikationen

- Gologan R, Ginter VM, Ising N, Haefner A, Obertacke U, Schreiner U: "1-year outcome of intracarpal lesions in patients with dislocated distal radial fractures" –submission anticipated 8/2013
- Schreiner U, Haefner A, Gologan R, Obertacke U: "Effective teaching modifies medical student attitudes towards pain symptoms.", Eur J Trauma Emerg Surg 37, 655-659 (2011)
- Haefner A, Karlinsky M: "Antineutrophil Cytoplasmic Autoantibodies in IgA Nephropathy: A predictor of disease severity and response to treatment", Poster Presentations American College of Physicians/SGIM Northern California Scientific Session (2010)
- Gottmann U, Mueller-Falcke A, Schnuelle P, Birck R, Nিকেleit V, van der Woude FJ, Yard BA, Braun C: "Influence of hypersulfated and low molecular weight heparins on ischemia/reperfusion: injury and allograft rejection in rat kidneys", Transpl Int 20 (6), 542–549 (2007)
- Claus AM, Roessing S, Mueller-Falcke A, Scharf HP: "First results of a controlled observational study comparing minimally invasive navigated total knee replacement to open-navigated total knee replacement (TKR)", J Bone Joint Surg Br, Vol 88-B, Issue SUPP I, 90 (2006)
- Mueller-Falcke A: "Auswirkungen niedermolekularer Heparinderivate auf renale Entzündungsvorgänge im Rahmen der chronischen und akuten Abstoßung sowie Schäden durch Ischämie-Reperfusion im Rattenmodell", PhD Dissertation, University of Heidelberg, <http://www.ub.uni-heidelberg.de/archiv/6458> (2005)
- Braun C, Karle C, Mueller-Falcke A, Goettmann U, Yard B, Casu B, van der Woude FJ: "Chemically modified heparins exert anti-inflammatory effects in renal ischemia-reperfusion injury in rats", J Am Soc Nephrol 14 (2003)
- Braun C, Mueller-Falcke A, Schaub M, Yard BA, Back WE, van der Woude FJ: "Differential effects of the low-molecular weight heparin reviparin on renal inflammation during acute and chronic renal allograft rejection and isolated ischemia-reperfusion injury in rats", J Am Soc Nephrol 13 (2002)

Posterpublikationen

- Mosadeghi S, Haefner A, Steegers S: "Hepatocellular Carcinoma Presenting as Multiple Lytic Bone Lesions", Poster Presentation American College of Physicians/ SGIM Northern California Scientific Session (2011)
- Brah J, Haefner A, Sackrin S: "Arterial Air Embolism due to a Giant Pulmonary Bulla – A rare complication of flying", Poster Presentation American College of Physicians/ SGIM Northern California Scientific Session (2011)
- Cipa-Tatum JE, Bhuket T, Shah JN, Haefner A, Subramanian I: "Pancreatic TB: A Pain in the Mass", Poster Presentation American College of Physicians/ SGIM Northern California Scientific Session (2011)
- Xuan N, Haefner A, Sharma N, Feeney C: "Bullae, Beware!", Poster Presentations American College of Physicians/SGIM Northern California Scientific Session (2010)
